

Red Deer & District SPCA

8-12 year old Summer Camps

Finally a camp where behaving like an animal is a good thing!

Red Deer & District SPCA offers FULL DAY animal-themed summer camps for children ages eight to twelve. Campers will spend 4 days immersed in animal learning and fun. Each camp includes daily animal interactions, visits from special guests, crafts, games, animal-related educational activities and more. Space is limited, and sessions may fill up quickly. Register early to avoid disappointment!

Registration Information

We cannot hold your child's space in a camp until we have received a complete registration form and payment.

Applications are processed on a first-come, first-served basis. The first 15 completed registrations and payments will be accepted into the summer camp program. Once your registration is processed, confirmation of enrolment will be e-mailed to you.

Participants must be the minimum age for camp as of the first day of camp.

Refund requests are only granted for cancellations made 60 days prior to the first day of camp and are subject to a \$25 processing fee. We reserve the right to dismiss campers from the program if deemed necessary. In such a case, registration fees are non-transferable and non-refundable.

*Child Conduct:

The Red Deer & District SPCA reserves the right to dismiss a camper if the camper shows the following repeated behaviour:

- Hitting or negative physical contact to other campers (including siblings)
- Use of inappropriate language, name calling or hurtful/offending comments directed at other campers or staff
- Inappropriate physical contact with an animal
- Disrespect or abuse to the Red Deer & District SPCA volunteers and staff

The Red Deer & District SPCA summer camp program has a "three strikes" policy. The first offence will be handled by SPCA summer camp staff (asked to sit out for the duration of the activity and apologise to the offended person if necessary). If there is a second offence the parent/guardian will be contacted and made aware of the behaviour. If there is a third offence the parent/guardian will be contacted to pick up the child and permanently remove them from camp. No refunds will be given for a dismissed camper.

* Agreement:

I understand that:

- I must provide my child with a packed snack and lunch as there will be a specific time each day for the children to eat.
- Animals are selected based on their health and temperament. Since animals are unpredictable, we cannot promise hands on interactions or availability of a particular animal you or your child may be interested in.
- Refund requests are only granted for cancellations made 60 days prior to the first day of camp and are subject to a \$25 processing fee. We reserve the right to dismiss campers from the program if deemed necessary. In such a case, registration fees are non-transferable and non-refundable.
- Red Deer & District SPCA, its staff and volunteers are not responsible for any complaint, injury or illness resulting from other humans or animals on the Red Deer & District SPCA property or premises.
- If my child requires the assistance of an aid I am responsible for providing one. Volunteers and Staff members of the Red Deer & District SPCA are not able to provide this service for my child/children.

I have read, understand and agree to the above conditions and I hereby release the Red Deer & District SPCA, its staff and volunteers of any liability of any kind whatsoever arising from the summer camps at the Red Deer & District SPCA.
