Central Alberta Humane Society's End of Year Fundraisers Begins! Thursday December 01, 2022 | Red Deer, AB

Thursday, December 01, marks the launch of Central Alberta Humane Society's (CA Humane) end of the year fundraiser ~ The Giving Tree.

All donations provide vital funds for the shelter to treat, care for and re-home unwanted, abandoned, and stray companion animals in our local Central Alberta region.

This year, CA Humane's 'Giving Tree' fundraiser features a wish list of necessary items needed for the overall enrichment of the shelter. Some of the items include *Gumbo's Fund*: a strategic fund to assist in the medical care and adoption of loving animals that are often overlooked due to having costly medical needs. A Kitten Incubator \$3,500+: This year we saw over 130 kittens! These incubators are specifically designed to assist in the recovery of newborn and sick kittens and animals. And a new Microscope \$2,800+: Over 1/2 of the animals come into our shelter with an illness or parasite that will require treatment. A Microscope helps us analyze the cells of our animals in care to diagnose a large variety of infections and parasites

To learn more about CA Humane's 'Giving Tree' fundraiser, and more of the items they're looking to fund, please visit them online at cahumane.com, or in-person at the shelter.

From all of us here at CA Humane, have a very happy holiday season and many thanks for your continued support.
