Central Alberta Humane Society hosts Holiday Pet Portraits

2 weekends in November 2023

Create everlasting memories, while helping our animals in care! This holiday tradition is the perfect way to get you in the holiday spirit. Photos with Santa and Mrs. Claus for you, for your pet or for your whole family!

November 3rd-5th and 10th-12th, CA Humane will host our annual Pet Portraits fundraiser with Amy Cheng Photography. We have expanded the event to 2 weekends this year due to popular demand! Book now to get your family and pets photographed with Santa and Mrs. Claus! For more information, and to book your spot – visit cahumane.com/events.

Be sure to shop in our retail space! We will also have our pet gift baskets ready for your special fur-baby. Also, we have our CA Humane merch for all the animal lovers in your life! This year we have 2 holiday raffles to choose from – the \$500 worth of scratch tickets or the \$1000 Ski adventure raffle available for sale! All proceeds from the event go directly to helping the animals in our care!

Central Alberta Humane Society ~ Who We Are

CA Humane is a not-for-profit charitable organization that is not government funded but rather supported through public donations and a variety of fundraising efforts like this pet portrait event! We have been rescuing and caring for animals in need since 1976.

Our mission is to inspire change through education and promote the five essential freedoms for animals: freedom from thirst, hunger, and malnutrition; freedom from discomfort; freedom from pain, injury, and disease; freedom to express normal behavior; and freedom from fear and distress.

We believe that every animal deserves a second chance at a happy, healthy life, and we are committed to making that happen. Your support allows us to continue to provide animals with the very best medical care and compassionate support.

~ We are more than just an animal rescue, we are a local community builder ~
