About CA Humane:

The Central Alberta Humane Society (CA Humane) is a local not-for-profit charitable organization that is not government funded. We value the lives of all living souls, and it is our mission to care for abandoned and abused companion animals, assist people in need of emergency shelter for their pets, offer affordable options for low-income pet families, provide volunteer and work experience, and offer humane education to children, adults, schools, and groups in Central Alberta.

We are more than just an animal rescue, we are a local community builder.
