

Every year there are new advancements made to veterinary care, and more treatments are available than ever before. These treatments can be lifesaving but are also expensive. When the unexpected happens, Petsecure lets you focus on what's important, getting your pet back to their happy healthy selves.

We are a proud partner of Petsecure, a 100% Canadian owned and operated pet insurance company since 1989. Petsecure is dedicated to promoting responsible pet guardianship and caring for your pet's health and wellness and is pleased to provide a [complimentary six-week trial](#) of pet health insurance for your new dog or cat.

Trial Details:

- Coverage up to \$500 for accidents and illnesses
- 80% coverage on eligible vet bills, less a \$100 per incident deductible
- 48 hour waiting period from the date your new pet goes home
- A welcome package will be sent to you, including a personalized quote

Benefits of converting to a policy before your trial expires:

- Uninterrupted coverage- no additional accident or illness waiting periods
- No exclusions- any claims covered under your trial will continue under your policy
- Coverage for life- for accidents and illness, dental, special coverage, wellness benefits and more
- No older pet tests- for senior pets adopted (cats over 10 and dogs over 8 years of age)

Petsecure believes you should have the freedom to make decisions about your pet's medical care with your heart, not your wallet. With four plans to choose from, click here to [view their coverage options](#) that will fit both your budget and coverage needs.

If you have any questions about your trial, [need to make a claim](#), or to convert to a policy, please contact:
