About CA Humane

The Central Alberta Humane Society (CA Humane) has been a trusted resource for companion animals in need since 1976. We provide food, shelter, medical care, companionship, and rehoming for local homeless, abused, and abandoned animals ~ giving animals a second or even third chance at finding their forever families.

More than a rescue, CA Humane supports the community with programs including a pet food bank, emergency boarding, reduced cost spay and neuter program (PALS), dignified cremation options, a robust volunteer program, dog licensing, children's camps, and lost & found assistance. We focus exclusively on animals from Central Alberta and never intake beyond our shelter's capacity ~ meaning animals stay with us until they are adopted, no matter how long it takes.

With over 100 animals currently on our waitlist, every adoption helps open space for another pet in need. We receive no government funding, so fundraisers like the Ultimate Garage Sale are true lifelines for the animals in our care.

100% of what we raise here stays here.
